Performance data quoted represents past performance which is no guarantee of future results. Investment return will fluctuate. The value of an investment when redeemed may be worth more or less than the original cost. Current performance may be higher or lower than performance stated.

- (1) To arrive at weighted average maturity, the maturity of floating and variable rate securities was determined in accordance with SEC Rule 2a-7. This rule specifies that a floating rate security to be paid in 397 calendar days or less shall be deemed to have a next day maturity; and a variable rate security to be paid in 397 calendar days or less shall be deemed to have a maturity equal to the period remaining until the next interest rate adjustment.
- (2) To arrive at weighted average maturity, the maturity of floating rate and variable rate securities was deemed to be the final maturity of such securities.
- (3) All current yields for TexPool Prime, for each date, reflect a waiver of some of all management fees.
